

RESOLUTION

WHEREAS, agriculture and agribusiness is the number one industry in North Carolina contributing \$85 billion to our State's economy; and

WHEREAS, we enjoy a food supply that is abundant, affordable and among the world's safest, thanks in large part to the efficiency and productivity of North Carolina's farmers; and

WHEREAS, our farmers provide the food, fuel and fiber for our state and our country; and

WHEREAS, agriculture touches the life of everyone, whether it be in our daily meals or the clothes we wear; and

WHEREAS, farming supports other community businesses and the local economy; and

WHEREAS, it is estimated that we are going to need to increase food production by at least 70 percent by 2050 to meet the growing world food demands; and

WHEREAS, we are losing farmland at an alarming rate and it is getting progressively more difficult to recruit and retain farmers willing to work our state's land; and

WHEREAS, we need to support our agricultural industry and our farmers, and encourage a safe and abundant food supply.

NOW, THEREFORE, BE IT RESOLVED, that the Robeson County Board of Commissioners do hereby support the passage of SB 711, the NC Farm Act of 2018.

Adopted this 21st day on June, 2018.

WHEREAS, we are losing farmland at an alarming rate and it is getting progressively more difficult to recruit and retain farmers willing to work our state's land; and

WHEREAS, we need to support our agricultural industry and our farmers, and encourage a safe and abundant food supply.

NOW, THEREFORE, BE IT RESOLVED, that the Town of Elizabethtown Town Council does hereby:

- Support the development of our community by advocating for a healthy agricultural economy;
- Encourage the efficient and safe use of our natural resources;
- Support and encourage policies that enhance the viability of farmers, such as SB711, otherwise known as the N.C. Farm Act of 2018; and
- Agree to work with community members, officials, and other decision makers to generate informed judgments regarding agricultural production, processing, and marketing that will support and sustain the agricultural industry as a whole.

Adopted this the 9th day of July, 2018.
